Tiffany and her family

Tiffany, a single mom with three children, was living in her car after her family was evicted last December due to an unexpected rent hike. She came to Family Promise a month later and, thanks to our Road to Independence Program, she and her children are financially stable and now have a home of their own.

We are proud to report that Tiffany's family will celebrate the holidays at home.

An increased cost of living has pushed many South Florida families like Tiffany's to the brink. A medical emergency, family tragedy, job loss or other life-altering event could easily result in homelessness, leaving thousands of children in our community without a safe, secure place to rest their heads.

That is why Family Promise of Southeast Florida (formerly Family Promise of South Palm Beach County) has significantly expanded our regional efforts within Palm Beach and Broward Counties.

Our dedicated staff is working to help more families in crisis by providing temporary shelter, meals, comprehensive case management (including life skills and financial literacy), mental health counseling and compassion through our Road to Independence program. We also provide outreach services for the chronically homeless and prevention assistance for at-risk families.

YOU CAN CREATE A NEW BEGINNING FOR MORE FAMILIES IN CRISIS WITH YOUR YEAR-END GIFT.

Please use the enclosed pledge piece to make a tax-deductible gift to Family Promise of Southeast Florida or visit familypromisesefl.org/donate. Your gift will ensure that more families can celebrate the holidays in a stable, loving home. Thank you in advance for your support.

Warm regards and holiday wishes,

Jennifer Raymond
